GUIDE PRICE £425,000 - £450,000

Beautifully presented Town House located in this gated mews complex, part of the former nunnery. The property was built in 2013 by Simon Wright homes and contrast sympathetically with the original building with its decorative string coursing with key stones. Homes on Providence Park are private, secure and sought after and rarely become available. Immaculately presented accommodation is arranged on four floors with a stunning roof terrace, with potential to further increase the living accommodation by way of a garage conversion, subject to planning permission and building regulation approval.
