Located in a popular residential area within walking distance of Snodland's high-speed train station, this impressive four-bedroom end-of-terrace home offers an abundance of space and versatility, making it an ideal choice for families or anyone looking for room to grow. With a total floor area of approximately 1,488 sq ft (138.1 sq m) including garage and outbuildings, the property stands out for its generous proportions and practical layout across three floors.

The home is currently partway through a refurbishment, giving buyers the rare opportunity to step into a property that already benefits from key upgrades, including a brand-new kitchen and a newly fitted en suite shower room to the principal bedroom. These improvements enhance the appeal while leaving scope to finish remaining elements to your own taste. On the ground floor, the spacious living room with bay window offers a warm, welcoming space for relaxation or entertaining, measuring 15'2 x 12'0 (4.62m x 3.67m). To the rear, the newly fitted kitchen measures 12'8 x 12'9 (3.87m x 3.89m max), offering excellent storage and preparation space, complemented by a separate utility room for added convenience. The first floor hosts three well-proportioned bedrooms. Bedroom 2 is a generous double at 13'1 x 10'2 (3.99m x 3.09m), while Bedroom 3 measures 12'11 x 10'4 (3.93m x 3.14m max), and Bedroom 4 provides an ideal nursery or home office space at 10'4 x 7'9 (3.14m x 2.37m). A family bathroom completes this level. On the second floor, the master suite offers privacy and comfort, measuring 12'3 x 11'9 (3.73m x 3.58m max), complete with a brand-new en suite shower room.

Outside, the property boasts a generous rear garden, approximately 67'9 x 19'6 (20.64m x 5.95m), offering ample outdoor space for children, entertaining, or even further extension (subject to planning). At the rear of the garden is a detached garage (14'8 x 11'2) and off-road parking, adding to the convenience and practicality of this wonderful home.
