Elm Crescent, East Malling, West Malling, ME19

# 70 Elm Crescent, East Malling, Kent, ME19 6DF

ASKING PRICE: £375,000

EPC RATING: C

Situated on a generous corner plot within the ever-popular Clare Park Estate, this fantastic three-bedroom end of terrace home offers bright, flexible family accommodation and a truly exceptional outdoor space. The standout feature is the large south-facing rear garden, measuring approximately 57'10" x 45'2" (17.64m x 13.77m). Occupying a wide corner position, the plot offers an excellent degree of privacy and huge potential for entertaining, landscaping or future extension (subject to the usual planning consents). There is also a detached shed with power to the side of the property, ideal for storage or use as a workshop. Internally, the property is well arranged for modern family living. A spacious entrance hallway leads through to a generous living room (18'6" x 11'1" / 5.64m x 3.38m), while the kitchen (12'0" x 9'0" / 3.66m x 2.74m) sits to the rear overlooking the garden. A separate utility room (8'11" x 5'10" / 2.73m x 1.77m) is positioned to the side, providing useful additional space, and the conservatory (11'5" x 9'5" / 3.49m x 2.88m) offers a versatile extra reception area.

Upstairs, there are three well-proportioned bedrooms, all of a good size. Bedroom one measures 12'5" x 11'2" (3.78m x 3.40m), bedroom two 12'1" x 9'3" (3.69m x 2.83m), and bedroom three 11'1" x 5'11" (3.38m x 1.80m), served by a family bathroom.

To the front, the property benefits from a large driveway providing off-road parking for multiple vehicles, further enhancing its appeal for families.

East Malling remains a highly desirable location, offering a blend of village charm and convenience, with a range of local amenities and excellent transport links. The property is also within walking distance of the highly regarded The Malling School, making it an ideal choice for families.

A superb opportunity to acquire a home with a standout plot, excellent potential, and a prime position within a sought-after development.
