290 Malling Road, Snodland, Kent, ME6 5JJ

GUIDE PRICE: £375,000-£400,000

EPC RATING: D

Offered for sale end of chain, this 1930's three-bedroom semi-detached home on Malling Road presents an excellent opportunity for buyers looking for a property they can modernise and make their own. While the property would benefit from internal updating, it offers well-proportioned accommodation, a generous rear garden and significant potential to extend to the rear, subject to the necessary planning consents. The property is approached via a private front driveway, providing useful off-road parking. The attractive bay windows to the front add character to the property and provide good natural light to the accommodation.

Internally, the ground floor comprises a good-sized living room, with a separate dining room providing a dedicated space for family meals and entertaining. To the rear is a fitted kitchen and a large conservatory, which provides valuable additional living space and overlooks the garden.

Upstairs, there are three bedrooms, together with a family bathroom.

Externally, the rear garden has recently been cleared by the current sellers, providing a blank canvas for the new owner to landscape and create an attractive outdoor space. The substantial rear footprint also offers excellent potential for a significant rear extension, subject to obtaining the relevant planning permissions.

A further benefit is the boiler, which was replaced within the last year, providing peace of mind for the new owners.

Overall, this is a property that requires modernisation but offers considerable scope to add value, both through internal refurbishment and potentially through a substantial rear extension. With its three bedrooms, generous ground-floor accommodation, driveway, garden and end-of-chain position, it represents an exciting opportunity for buyers looking for a home with plenty of potential.
