A deceptively large three bedroom link detached home is located in this quiet cul de sac, within easy reach of the centre of the village. Extended to provide a spacious lounge and dining room overlooking the rear garden, a separate study and a kitchen/breakfast room to the front, the property also benefits from a downstairs cloakroom and three piece family bathroom.

Outside, the property offers parking for two cars in tandem in front of the single garage with a lawned area beside. To the rear, is a mature, westerly facing garden.

Bankfields is a quiet cul de sac, only a short walk from the popular Headcorn Primary School and nearby playground. The village offers a range of independent shops and restaurants, a Sainsbury's Local and Costa Coffee as well as the village hall offering a number of community activities. Commuters are well catered for, with the mainline train station offering regular services into London Charing Cross.

"Please note, there is a small section of the land to the rear of the garden, which does not fall under the current title and is not included in the sale. However, the area has been used as part of the garden during the current vendors ownership and they will provide the information necessary for an adverse possession claim post purchase".
